Date MRP received	
Date grade report received	

- If you have had a degree requirement waived, or received approval that an elective course could be substituted for a foundation course, please ensure that appropriate documentation is on file in the program office.
- If documentation is not on file, it is the student's responsibility to make a case to the Program Director, that the courses taken do, indeed, fulfill all the requirements for the degree.
- Students will not be eligible to graduate until all degree requirements have been fulfilled and this degree audit is signed by either the Program Director or Program Assistant.
